¹Federal Rule of Civil Procedure 16 requires that the Court set a deadline for amendment of pleadings and joinder of parties. A party seeking to amend the pleadings after the above dates must both demonstrate good cause to amend the scheduling order as required by Federal Rule of Civil Procedure 16(b) and satisfy the requirements for amendment under Federal Rule of Civil Procedure 15(a). *See, e.g., Gorsuch Ltd., B.C. v. Wells Fargo Nat. Bank Ass'n*, 771 F.3d 1230, 1242 (10th Cir. 2014).

² Parties must disclose the names of all expert witnesses, including treating physicians, the subject matter on which the experts will present evidence, and a summary of the facts and opinions to which the experts are expected to testify by this date. Experts who are retained or specifically employed to provide expert testimony must also submit an expert report by this date. *See* Fed. R. Civ. P. 26(a)(2). The parties must have their retained expert(s) ready to be deposed at the time they identify them and provide their reports. Expert witnesses who are not required to provide a written report may be deposed before summary disclosure.

³ This deadline applies to motions related to the admissibility of experts or expert testimony that may require *Daubert* hearing, but otherwise does not apply to motions in limine. The presiding judge will set a deadline for the submission of motions in limine and other trial-related deadlines in a separate order.

The parties anticipate a three-to-five-day bench trial and a tentative remote settlement conference in August 2023. Pursuant to Federal Rule of Civil Procedure 16(b)(3)(B)(v), “before moving for an order relating to discovery, the movant must request a conference with the court” to attempt to informally resolve the dispute. Discovery motions that fail to conform to this requirement may be summarily denied. Any extension of the case management deadlines must be approved by the Court. Any requests for additional discovery must be submitted to the Court by motion prior to the expiration of the discovery.
